Passionate about creating new and innovative products, Gabriela seeks to make a difference in the world through design, turning thoughts and ideas into realities.

Born in Mexico City, Gabriela is the founder of Saadia Design. With a master's degree in furniture design obtained from SCAD (Savannah College of Art and Design) in 2022 and previous studies in Industrial Design at Universidad Iberoamericana, Gabriela has built a solid career in the field of design.

Her passion for lighting was sparked during her time working in a lamp factory, where she discovered her love for decorative lighting design. Today, Gabriela focuses on designing, developing, and creating high-quality decorative lamps, while continuing to expand her skills and knowledge in the design field.
